Excellence Awards - 2017

A Celebration of Teachers' Excellence, Research Excellence and Leadership Excellence

(Date: 29th April, 2017)

(A) Leadership Excellence Awards

These awards recognize and reward the leadership team in following categories:

Most Enterprising (*Excellence in Innovation*):An innovative professional, who adapts readily to new directions, shows outstanding creativity when confronted with challenges. He/She actively seeks ways to advance beyond the status quo, implements change in a positive manner and strives to ensure its success. Demonstrates ability to stir the pot for positive, fresh impact.

Most Collaborative (*Excellence in Collaboration and Cooperation*): A strong leader, who demonstrates a unique ability to guide and inspire others, which in turn contributes to effective and efficient functioning of the team. He / She inspires and encourages personal and professional development in others by building strong relationships that supports a high level of trust and credibility. Contributes to the success of an initiative that benefits those outside his/her own department and/or places emphasis on collaboration within and among departments.

Most Committed (*Excellence in Commitment*):A deeply committed strong pillar of the organization, who demonstrates exceptional dedication to work, which in turn contributes to the vibrancy of the community. Demonstrates an intense commitment to provide excellent service to co-workers, students and faculty, shares enthusiasm for the department with others; maintains perseverance in the face of adversity; is known in the community as a reliable go-to person, willing volunteer or good Unizen.

(B) Teachers' Excellence Awards

These awards recognize and reward the teaching faculty in following categories:

(C) Research Excellence Awards:

These awards recognize and award the research publication initiatives of the faculty members. Scopus indexed papers are arranged in a list in decreasing order of quality. The authors of best two publications are declared as Outstanding Researcher and Excellent Researcher awardees. All the other authors of all the listed papers are given away citations.

(D) Process followed for Awards:

The categories (A) and (B) are perception-based awards. Peer voting is done on the google form and the person, who received largest number of votes in a particular category won the award. Awards for the category (C) are performance based and are given away based on the quality of publications.
