Sr. no.	Name of the resource person	Full affiliation	Place
1	Dr Bhuvan Unhelkar	University of South Florida	USA
2	Dr Suraj Shah	Ganpat University	India

The International Conference on Management and Information Systems (ICMIS-22) jointly organized by INFOMS and Chitkara University during September 25-26, 2022. The conference aimed to bring together academic researchers & scholar to share their research outputs and exchange their experiences and ideas on all aspects of Management. It provided an interdisciplinary forum for academicians/researchers to present and discuss the recent trend, innovation and practical challenges encountered in this domain.

It was a wonderful virtual conference including paper presentations, keynote address by Dr. Bhuvan Unhelkar from University of South Florida, USA and a Workshop by Dr. Suraj Shah from Ganpat University. In total 4 virtual sessions were held during the 2-day conference and 13 papers were presented. 66 participants attended from countries like India, USA, Singapore, Hongkong and UAE. The complete proceedings (ISBN:978-1-943295-19-7) is available at <https://www.icmis.net/icmis22/ICMIS22CD>.

Paper titled "Artificial Intelligence Trending in E-learning: Case Study of Bajaj Auto Ltd" by Syed Rizwan Naqvi, Puja Sareen, Tanuja Sharma won the best paper award.
It was a great knowledge sharing and learning experience for all participants.
