An International Online Conference on 'Innovations and Challenges in Research Publishing' was organized by Chitkara University Publications for two days (February 22-23). The conference was attended by around 400 participants from various national as well as international institutions. 7 International Invited Speakers and 6 National Invited Speakers had delivered the talks, and one panel discussion was conducted with 3 renowned panelists.

It was a fruitful experience as participants interacted and obtained first-hand information from specialists. Some of the main areas covered during these two days were - Similarity Index and Plagiarism, Open Science Framework in India, coalitions initiatives and activities for Open Access, Peer Review and Role of Editors, Role of Institutional Repositories, Research Analysis, Selection of the right journals, Ranking and Research in the Social Science and Humanities domain, DOAJ Indexed Journals, Open Science Practices and Identifiers' importance for the researchers and Institutions.

'Vote of Thanks' was given by Dr Manoj Manuja, Pro Vice Chancellor, Chitkara University, Himachal Pradesh and the Convener of the event was Dr Sushil Kumar, Deputy Dean – Journals and Publications, Chitkara University Publications.

DOAJ

Agenda

- What is the DOAJ?
- Who get benefit from DOAJ ?
- Why is it important to be indexed in DOAJ?
- What do journals need for inclusion in DOAJ?
- How DOAJ is useful for Open Access Publishing ?
- Best practice in open access publishing

What can publishers do?

- Build collaborations
- Increase trust
- Investigate upstream and downstream opportunities
- Run pilots
- Learn from each other
