(62) Divisional to Application Number	:NA	
Filing Date	:NA	

(57) Abstract :

The present disclosure relates generally to the field of nutraceutical compositions. Specifically, the disclosure is directed to a nutraceutical composition for boosting immunity in a diabetic subject comprising Morus rubra, Stevia rebaudiana, Phyllanthus emblica, and Syzygium cumini, wherein the composition comprises unripe fruit of Syzygium cumini. The disclosure also relates to a method of preparing the nutraceutical composition. The composition is suitable for diabetic patients and does not cause side effects.
