(62) Divisional to Application Number	:NA	
Filing Date	:NA	

(57) Abstract :

The present disclosure relates generally to pharmaceutical compositions. More specifically, the disclosure is directed to an immediate release effervescent pharmaceutical composition comprising telmisartan, polyethylene glycol, citric acid, tartaric acid, sodium bicarbonate, glycine, sodium citrate and one or more pharmaceutically acceptable adjuvant or excipients. The composition shows faster yet complete dissolution of telmisartan.
