(57) Abstract :
ABSTRACT A NANOPARTICLE COMPOSITION OF ABL-127 FOR NEUROPROTECTIVE EFFECT IN STRESS INDUCED DEMENTIA The present disclosure relates generally to pharmaceutical compositions. More specifically, the disclosure is directed to a composition for neuroprotective effect in stress induced dementia comprising ABL-127 and a pharmaceutically acceptable excipient. The composition is capable to exhibit neuroprotective, antioxidant, effects while preventing oxidative stress response in dementia caused by chronic stress. Figure 1
