(57) Abstract :
 ABSTRACT The present invention relates to a Zedoary Radiance Face Pack composition and a method for its preparation. The face pack comprises a synergistic blend of natural ingredients designed to enhance skin health, including zedoary powder (*Curcuma zedoaria*) in the range of 20-30% of the total composition, gram flour in the range of 30-40%, turmeric powder (*Curcuma longa*) in the range of 10-20%, and additional herbal ingredients such as sandalwood powder, neem powder, and rose petal powder in the range of 10-20%. The composition offers multiple skin benefits, such as antibacterial, antioxidant, anti-inflammatory, and exfoliating effects, while being free from synthetic preservatives and chemicals. Dated this 30th Aug, 2024,
